The Board of Directors of the Pennsylvania Interscholastic Athletic Association, Inc. (PIAA) requires that each person serving as a member of the Board of Directors, a District Committee, or an agent or employee of the PIAA, perform his or her duties without influence or the appearance of influence by any other business or financial interest of such person.

Potential conflicts of interest include, but are not limited to, a person’s direct financial interest in a company or product which could be affected by a decision of the Board of Directors or a District Committee on which the person serves.

The PIAA is not critical of such interests. It merely requests that persons disqualify themselves from PIAA decisions on matters relating to such interests.

If a member of the Board of Directors, a District Committee, or an agent or employee of the PIAA, should have or develop a conflict of interest, such person shall:

1) Immediately identify the conflict in writing to the president and/or executive director, or the District Chairman, as applicable; and
2) Remove him or her from any discussion or decisions involving the matter in conflict.

In case of doubt about the existence of a conflict, a member should submit the question and the relevant facts to the president and/or executive director, or the District Chairman, as applicable, for a decision.
OPEN MEETING POLICY

**Purpose**
To increase member school and public awareness of and input to PIAA governance functions, by clarifying criteria and procedures for member school and public access to PIAA Board of Directors meetings.

**Open Meetings**
Meetings of the PIAA Board of Directors and its committees shall be open, except where closed as set forth in this policy. “Meetings” as used in this policy includes prearranged gatherings of the Board of Directors or its committees, attended by a quorum of members, at which official action on PIAA business is to be considered or taken. “Meetings” does not include training sessions, ceremonial functions, or other informal gatherings not convened for the purpose of considering or taking official action on PIAA business.

**Notice**
Notice of the date, time and place of all open meetings of the Board of Directors and its committees shall be made available through:

- The PIAA Calendar,
- the PIAA Quarterly, when timeliness permits, including publication of the approved regular yearly schedule of meetings,
- posting on the PIAA web site at www.piaa.org., and
- news releases to statewide electronic/print media outlets.

**Regular Meetings**
Notice of all regularly scheduled meetings shall be provided at least three (3) calendar days prior to the time of the meeting. It is not necessary to provide additional separate notice for meetings taking place in accordance with a master schedule which has been publicized annually or at other intervals using the means listed above.

**Special Meetings**
Notice of any special meetings shall be given at least twenty-four (24) hours prior to the time of the meeting, except that such notice shall not be necessary when a special meeting is called to deal with a real or potential emergency involving immediate risk to life, property, the legal or financial interests of PIAA, or other matters requiring immediate action by the Board of Directors or one of its committees.
Special meetings can be called by the president or by request of a majority of the members of the Board of Directors.

The committee chairperson or a majority of the designated committee members can call committee meetings.

The Board of Directors shall cause to be made, and shall retain as a permanent record of the organization, minutes of all open meetings of the Board of Directors. The minutes shall summarize the substance of all official action taken by the Board of Directors, and shall be approved at the next succeeding meeting of the Board of Directors.

The approved minutes shall be made available to the member schools upon request, and a list of the actions taken shall be published on the PIAA Web site at www.piaa.org.

The official information publication of PIAA shall be known as the PIAA Quarterly. The PIAA Quarterly shall be posted on the PIAA Web site and made available to any person upon written request providing the address to which it is to be mailed.

The Board of Directors and its committees may meet in executive session before, during, or at the conclusion of an open meeting, or at other times, at the call of the presiding officer or upon motion approved by a majority of the members. Executive sessions may be convened for the purpose of discussing or considering any of the following matters:

a. labor relations and other employment issues relating to PIAA employees, officials or appointees, whether paid or unpaid;

b. purchase or lease of real estate;

c. pending or potential litigation and other legal issues;

d. adjudicative functions, including hearings and appeals;

e. other matters which should be discussed or conducted in private in order to protect individual privacy interests, to preserve a lawful privilege or confidentiality, or to avoid harm to the legal or financial interests of PIAA.

The presiding officer shall announce, at the open meeting preceding or following the executive session, which of the
foregoing categories of matters was the reason for which the executive session was called.

Official action based on discussions held in executive session shall be taken at an open meeting, except with respect to situations in which taking action at an open meeting would result in the disclosure of information protected by individual privacy, lawful privilege or confidentiality, or would cause harm to PIAA legal or financial interests.

In recognition of the value to the organization of member school and public comment on issues affecting the Board of Director’s responsibility for interscholastic athletic competition, the Board of Directors shall provide an opportunity for attendees to comment on matters before the Board of Directors, prior to official action by the Board of Directors. Member school representatives shall be given priority in the scheduling of open discussion time periods.

Comments by representatives of member schools and the public attending meetings shall be made at the beginning of each meeting and shall be limited in time to no more than three (3) minutes per individual, unless, upon advance written request the presiding officer permits a longer presentation in special circumstances. The individual time limit may be further shortened to accommodate larger numbers of persons wishing to speak.

The portion of the meeting devoted to comment shall not exceed thirty (30) minutes, unless extended by the Board of Directors for special reasons.

Attendees at an open meeting shall have access to a copy of the meeting agenda and attachments, except agenda attachments relative to labor relations and other employment issues relating to PIAA employees, officials, or appointees, whether paid or unpaid; purchase or lease of real estate; pending or potential litigation and other legal issues; adjudicative functions, including hearings and appeals; and other matters which should be discussed or conducted in private to protect the individual privacy interests, to preserve a lawful privilege or confidentiality, or to avoid harm to the legal or financial interests of PIAA.
**Recording Devices**

Persons attending open meetings may use audio and video recording devices so long as such use does not disrupt or interfere with the proceedings or the ability of any other attendee to observe, enter or exit the proceedings, and does not otherwise create a risk or injury to persons or property. Persons using such devices do so at their own risk and shall be solely responsible for the consequences of such use. PIAA has no responsibility for the content of any recording or the subsequent use of such contents.

**Adjournment**

The Board of Directors may, at any time, recess or adjourn a meeting to a specified time, date or place upon the vote of a majority of those present.

Notice of a rescheduled meeting shall be given as provided in this policy.
ATHLETIC ELIGIBILITY

The basic responsibility for eligibility is in the hands of the principal. When the principal certifies the eligibility of an athlete by signing the eligibility list, the assumption is that all listed athletes have been thoroughly checked.

Violations of eligibility rules may cause an individual, a team or a school to suffer penalties.

Member schools are responsible for dissemination of information about athletic eligibility. The following recommendations provide a broad base of coverage for the member schools’ students and staff.

1. School administrators should be sure that all coaches (including non-teaching coaches) know and implement the rules and pass them along to their athletes.

2. Publish the rules or at least a summary of the rules in:
   a. The student handbook
   b. The faculty manual
   c. At least one communication to the parents - i.e. the parental slip for athletic participation
   d. A communication to each athletic booster’s organization

3. School administrators should be sure the following individuals are aware of the rules:
   a. Guidance counselors
   b. Junior high school personnel
   c. Attendance officers
   d. Pupil personnel workers

4. The eligibility rules should be posted in key locations such as:
   a. The athletic office
   b. Locker rooms

Eligibility Problems
1. Students transferring from other schools.

2. Students repeating all or a portion of a school year.

3. Students with attendance and/or scholarship problems.

   It is important that students whose status is questionable are identified. Once identified, their eligibility can usually be determined easily.
Checking Student/Athlete Eligibility

Some suggestions for checking student eligibility:
1. Eligibility information should be kept in one place.

2. The principal or his designees (athletic director, faculty manager, etc.) should be in charge and should coordinate the process.

3. Rules should be up-to-date and changes noted each year.

4. Have the athlete and his/her parents(s) supply the following information in conjunction with the parental permission slip before the student tries out.
   a. Name
   b. Grade level
   c. Age
   d. Date of birth
   e. Home Address
   f. Parent(s) name
   g. Semesters of attendance
   h. Years of participation
   This information can be checked against school records.

5. Verify that each athlete has a physical, insurance coverage and parental permission to participate.

6. Check grades and attendance from the previous semester.

Foreign Exchange Students
Foreign exchange students are eligible to participate in interscholastic athletics at a PIAA member school for only one year.

For Students to be eligible, a designated representative of a member school must complete the Foreign Exchange Student Eligibility Agreement located in the PIAA Constitution and By-Laws and send the completed form and a copy of the J1 Visa and copy of Parent/Physical Certificate to:

David Crumrine
Chairman, District 6 Committee
Central High School
718 Central High Road
Martinsburg, PA 16662

If documents are proper, the student will be declared eligible upon the review of the information by the executive committee and will officially be declared eligible at the next regular scheduled District 6 meeting.
POLICY CONCERNING BOYS AND GIRLS PARTICIPATING AND PRACTICING TOGETHER IN INTERSCHOLASTIC ATHLETICS

This policy applies to PIAA responses to inquiries as to whether it is permissible or required for boys and girls to participate or practice together on the same interscholastic athletic team, or to be segregated on the basis of sex.

In 1975, the Commonwealth court of Pennsylvania permanently joined PIAA from establishing any rule or regulations that would prohibit boys from playing or practicing on girls’ teams or girls playing or practicing on boys’ teams. That permanent injunction remains in effect, and any attempt by PIAA to adopt such rules would constitute contempt of court.

In view of the presence of the issue and the existence of the injunction, the following is the response that shall be given by PIAA to such inquiries:

1. The PIAA Constitution and By-Laws apply equally to boys and girls participating in and practicing for interscholastic athletics.
2. PIAA has no rules that deal with the participation of boys and girls on the same athletic team or with boys and girls practicing together for interscholastic athletics. PIAA therefore does not prohibit such combined participation or practicing.
3. The specific inquiry should be referred to the solicitor for the school district involved.
4. In preparing his response to the inquiry, the school district solicitor should be referred to the following three sources of guidance:
   a. The United States Department of Education Regulations under Title IX of the Education Amendments of 1972, which appear at 34 Code of Federal Regulations (CFR) Part 106, and cases decided under those regulations and under Title IX itself.
   b. The Pennsylvania State Board of Education health and physical education regulations relative to interscholastic athletic programs, which appear at 22 Pa. Code Section 4.27 (d) - (f).
5. The solicitor should be informed that these sources are only to provide a starting point for any independent analysis; they are not intended to be an exhaustive identification of all potentially relevant sources.
INCIDENT REPORTS

1. A District 6 Incident Report should be filed under the following circumstances:

   a. Site, time, and date of hearing
   b. Who should attend
   c. Who will be attending
   d. The basic procedure and format of the hearing
   e. What documentation should be supported
   f. What the consequences might be
Dealing with Inclement Weather

The PIAA District 6 is advising all schools of the following when inclement weather is a possibility:

1. It is recommended that principals, athletic directors, contest official, and coaches meet prior to the contest regarding the possibility of inclement weather for all sports to insure that there are clear predetermined guidelines established to address any and all scenarios.

2. Do any and all things possible to insure the safety of the participants, fans and others. Please reference the “Lighting Safety” guidelines below.

3. All PIAA District 6 section football games must be played in their entirety as they bear on post-season qualification.

4. The NFHS sport specific rulebooks identify criteria regarding potential termination of contests and the requirements that identify when games are considered official. These guidelines must be followed. If the specific sport rulebook does not specify termination guidelines, insofar as possible, all games should be played to conclusion.

5. It is recommended (and it is only a recommendation) of the PIAA District 6 that all non-section football games postponed before the conclusion of the first half, be concluded at a later date.

6. It is recommended that non-section football games interrupted in the second half or games that are being played under the “mercy-rule” be terminated with the existing score unless it is mutually decided that a game should be concluded at a later date.

7. Remember that if a non-section football game is not concluded, the existing score will stand. The National Federation Rule Book; Rule 3, Article 3 states: “Games interrupted because of events beyond the control of the responsible administrative authority shall be continued from the point of interruption, unless the teams agree to terminate the game with the existing score or there are conference, league or state associations’ rules, which apply.”

LIGHTING SAFETY

Coaches, officials, Certified Athletic Trainers and players must recognize the hazard posed by lighting and know what to do to minimize the risk of serious injury or death during outdoor activities.

Use the electronic devices to determine potential for lightning injury and convey this risk to game officials and coaching staffs. If you do not have lighting detector use the “Flash-to-bang” method for measuring lighting distance. As lightning approaches, the time in seconds from seeing the stroke to hearing the thunder decreases. For each 5-second count, lighting is 1 mile away. At a count of 15 seconds (3 miles) there is imminent danger! Seek shelter immediately. It is strongly recommended that you seek shelter at a count of 30 seconds (6 miles). Follow your institutions policy and go to a safe location, (a completely enclosed area), staying away from open doors and windows.

Turn off and stay away from electrical appliances. Avoid using a regular telephone (except in emergency situations).

A cellular or portable phone is safe if the person and the antenna are located within a safe location and if all other precautions are followed.
A car or bus can act as a “safe location” as long as the windows are closed completely and you stay away from the windows.

If no safe structure or location is within a reasonable distance, find a thick grove of small trees surrounded by taller trees or a dry ditch. Assume a crouch position on the ground with only the balls of the feet touching the ground, wrap your arms around your knees and lower your head. DO NOT LIE ON THE GROUND.

Wait a minimum of 30 minutes from the last lighting strike/visual/sound or until the lighting detector indicates that the storm is no longer a threat. Any subsequent lightning or 30-minute count should reset the clock and another count should begin.
