Radio Broadcast fee remains @ \$75.00 payable to PIAA District 6. Check is to be given to the Game Manager upon arrival. D6 cannot guarantee press box space, phone line, or Internet access.

One 70 second timeout is permitted each quarter. This timeout is to take place at the first natural break under the 6-minute mark. Media timeouts should be requested and discussed with the game manager. The game manager will then communicate the request with the assigned PIAA game officials and head coaches. The PIAA game officials will determine the natural break. (ie. punt, score, timeout, etc.)
