Clarification:

- The single A football championship is a 16/team bracket with a minimum 4/5 record for eligibility.
- The play-off points system will remain the same for this year's play-offs. The proposed change will be discussed for the next two-year cycle.

Play by Classification:

- It is the consensus of the District 6 Committee to continue to assimilate data and information to play football by classification.

Football Team Rosters: Please send team rosters and team pictures to Vince Nedimyer as soon as possible. Developing the championship program does take time and early submission will be a tremendous help. Send your picture/roster even if you are close to being in the play-offs. Please be sure to include names of all administration and particularly the Superintendent. If you have any questions regarding this, please contact Vince Nedimyer.

Principals please reserve **April 10, 2007** - this is the date of the District 6 Dinner meeting and the Committee is in the process of reorganizing this meeting agenda to address and improve communications related to PIAA issues at the state and local levels. Mandatory representation is being discussed, as the current topics need to be reviewed, along with proposed modifications. The District 6 Committee will continue to pay for two meals, per school. The location, menu and agenda will be announced in advance. Please write this date in your calendar.
